CITY OF MISSOULA
POLICE DEPARTMENT

"Professionalism With Pride"

TO ALL PARADE PARTICIPANTS

The City of Missoula and the Missoula Police Department wish to insure the safety of all participants and spectators in parades and special events. The Missoula Municipal Code pertaining to Special Events Permits states in Section 5, Subsection 4:

"No participant in a parade or procession shall throw, cast or drop candy, trinkets or any other articles to the people along the parade route but may walk along the side edges of the parade route and hand out these items."

This is an issue of significant concern for public safety. It must be fully observed and of necessity shall be strictly enforced. Any participant observed to be in violation of this section of the permit may be removed from the parade. If an offender is removed, charges may be filed for violating the ordinance and the candy, trinkets or other items seized as evidence. We sincerely hope that such action will not be needed. Your cooperation will be the key to ensuring that a parade or special event will be an enjoyable experience for everyone involved.

Thank you for your attention to this matter.
