

DISTINGUISHED ALUMNI AWARD

CRITERIA

Each Homecoming, the University of Montana Alumni Association honors outstanding alumni with Distinguished Alumni Awards. University alumni and friends are invited to nominate, on an individual basis, a graduate or former student for this award.

Recipients of this prestigious award are individuals who have distinguished themselves in a particular field and who have brought honor to the University. The Awards Committee will consider the following areas but will focus primarily on career achievement:

1. Career Achievement
2. Professional Membership/Directorship
3. Professional Honors
4. Community and/or Civic Engagement

The University of Montana Alumni Association Board of Directors Recognition committee will select the recipients. The committee reserves the right not to give an award. At its discretion, the committee may confirm the nominee's accomplishments, including checking references and academic records.

Awards may not be given to persons whose election would generate a potential conflict of interest with their current responsibilities and their selection as a Distinguished Alumni Award recipient, such as:

- Any person currently running for an elected office or being considered for a political appointment
- Executive officers of the University of Montana or staff of the University of Montana Alumni Association or Alumni Relations offices
- Current members of the UMAA Board of Directors or trustees of the UM Foundation
- Current University of Montana faculty or staff members
- Any person who by other position of potential conflict of interest not previously identified above is determined by the Awards Committee to be ineligible for this award

Given that the Recognition committee considers a large number of nominations each year, the Alumni Board of Directors may approve up to six awards annually and may exceed this number, but only if unusual circumstances call for such an expansion of awards. A minimum number is not required. Nominees' files will automatically be considered for three consecutive years. After this period, any unselected files will be shredded and those nominees cannot be re-nominated for two years. If re-nominated, a new nomination package is required.

PROCEDURE

1. Complete a nomination form for each candidate. Please submit as much information via email as possible. The deadline for both hard copy and online submissions is **February 23, 2018**.
